Dear Navinda,

I would be completing my assignment in Sri Lanka and would be returning to my next post during the month July. I wish to convey my sincere thanks and appreciation for the well organized and planned out manner in which you carried out the auctioning of our furniture, office equipment and motor vehicles on our behalf, during my tenure in Colombo.

I presume it is your 124 year old experience in the business that has helped you to formulate your operational process which was flawless from the time of taking delivery of our items to the receiving of the final payment. Everything was always immaculately planned and executed to perfection by your well trained, co-operative, friendly staff.

I take this opportunity to thank you, your brother Anuja and the entire staff of Schokman & Samerawickreme for the splendid manner in which the auctions were conducted, making my job so much easier.

Sincerely,

Justin M. Heker
General Services Officer
